Looking for a missing tool Someone took a Ryobi drill from the Trustee's work room, and it is still missing. So, if you have it, please bring it back. Thank-You

Some Comments from Pastor Rogers

The Congregational Care Committee will have its first meeting on Tuesday, April 14th after Bible Study at 11:00 am in the conference room. Sherry Spicer, the Director of Parish Nursing for the Pacific Southwest District of the LCMS will be attending to help us form this committee for the Fountain of Life. **Please join us if you have interest in providing human care for the members of our family at FOL.** What that looks like will be up to the committee to decide since the options are many. We are hoping for health education opportunities, visitation of our members and help for those in need.

The National Convention of the Lutheran Church Missouri Synod is in Phoenix this summer. One of the great joys of a convention is the opening worship. I would like for you to be able to experience this. The Opening worship is at 7:00 pm on Saturday, July 18th downtown at the Convention Center. I think it would be great if a group of us could go together. If this is something that interests you, please contact me at pastorrogers@suncitylutheran.org and let me know that you want to attend the opening worship with me. Once I have a number, I will make arrangements for **group transportation** and **dinner** together.

Please let me know before May 1st if you would like to attend. Thank-You

Some teams do more than one month.

Please contact Don Schukei by calling him at (602) 370-5562.
